

Social and Personal.

MISS MARY CARTER ANDERSON, of Richmond, who is spending some time at Buckroe Beach Hotel, was given a handsome morning bridge party last week by Mrs. Preston Roper, from Petersburg, one of the most agreeable hostesses at the beach. Three tables played, refreshments were elaborate and delicious, and lovely prizes, including a brass jardiniere and candlestick and an exquisite set of table mats, were awarded.

Another charming figure in the society gathered at the resort is Mrs. Faulkner, wife of Senator Faulkner, who has his home at the historic residence of the Faulkner family, Boydville, near Martinsburg, W. Va. Mrs. Faulkner was formerly Miss Whiting, of Hampton, and in her girlhood, as now, was noted for her beauty and her attractive personality. It is a matter of regret that Mrs. Faulkner leaves Buckroe to fulfill other engagements the first of August, though compensation is found in the fact that the Fleming family, of Richmond, will occupy her cottage when she leaves.

Breakfast at Mirador.
Mrs. Phyllis Langhorne Brooks, who is spending the summer at Mirador, in Albemarle county, will bring down her string of blue-ribbon winners, exhibited at various Northern shows this season, for the open-air Orange, Albemarle county, show, which the Albemarle show will begin August 3, and a number of Richmond people will go from the city, or drive from conveniently near-by country homes, to be present.

August Wedding.
Invitations have been received in Virginia for the wedding on August 4, of Miss Honietta Isabel Walker to Lieutenant John Stuart Williams, U. S. A., coast artillery corps, the ceremony to take place in the chapel of the post at the Presidio, San Francisco, Cal. Lieutenant Williams is a graduate of the Virginia Military Institute, and Miss Willis Williams, of Staunton, whose marriage to Lieutenant Walker was celebrated at the same place on June 30, is his sister.

La Riviere House Party.
Mrs. William J. Taylor, of La Riviere, Radford, is entertaining a family house party. Her guests include Mrs. J. R. Miller, Mrs. Irving Miller and son, Shirley, Miss Sue Snow, of Florida; Mrs. W. H. Smith, of Mississippi, and Mrs. Thomas McCartney, of the University of Virginia.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound, vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, In Plain English; or, Medical Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

As an illustration of the prosperity now existing in the real estate market to-day, J. D. Carnell & Son yesterday closed two deals for a net sum of \$135,000, the first sale being the property on the west side of Eighth Street, between Main and Franklin, which was sold for \$100,000 to Dr. John P. Davidson. The property is now being excavated for the building of eight stores, which have already been rented.

The second sale made by the same firm was of a lot at Franklin and Eighth Streets, fronting 102 feet on Eighth and having a depth of 50 feet on Franklin, for \$35,000. On this property will be erected five stores, with improved offices on the upper floors. Work of construction will, it is stated, soon be commenced, and Eighth Street will become an important part of the lower business district.

These combined sales are two of the largest recently closed, and indicate an activity in the real estate market which is hardly exemplified and rarely surpassed.

Other deals comprise the sale of the property at 429 Broad Street, now occupied by Fourqurean Temple & Company, dry goods merchants, which was sold for \$125,000.

The property was formerly owned by Julien W. Tyler, who purchased it for \$55,000. It is not stated what will be the disposition of the property, but it is understood to be an investment on the part of the purchaser. The sale will not affect the present occupants, who have a lease on the property for some years yet.

Another large sale was that of the property on the northwest corner of Third and Broad Streets, 222 and 224 East Broad Street, which was bought by M. L. Hofheimer for \$25,000. The same property, it is said, was recently sold for \$50,000, and has changed hands three times within the last month. Mr. Hofheimer will tear down the small building now located there, and will erect a modern six-story brick structure. The same purchaser has also bought as an investment a plot of land on the north side of Broad Street, between Jefferson and Adams Streets, fronting 30 feet, for \$25,000.

The American Locomotive Company has, through its agents, J. B. Elam & Company, purchased a lot, 555 by 180 feet, on the north side of the Valley Road, adjoining the local branch of the works. The price paid for the property has not yet been made public. It is understood that the purpose of the purchase is the early enlargement of the plant.

Perhaps nothing has given greater impetus to building in the city than

the Builders' Exchange, which was recently organized, and in order to bring the members closer together a smoker will be held in the rooms of the exchange, No. 2, Mutual Building, on Thursday night. Short talks will be delivered by Messrs. Richardson and other prominent citizens on subjects connected with the exchange. A buffet supper will be served during the course of the evening.

Much has been said concerning the number of houses in the city for rent; but a prominent real estate dealer declared yesterday that there is a steady increasing demand for residences, and that nearly all the houses now posted for rent will be taken before September 1, as there is a vast number of persons who have not yet rented, and who are looking about for the best possible bargains.

In a deed of bargain and sale recorded yesterday in the clerk's office of the Chancery Court, the trustees of the Seventh Street Christian Church become the possessors from A. L. Jackson and wife, of a lot at Grace and Grace Street, with lot fronting fifty-four feet. The price paid was \$27,500.

A second deed of bargain and sale was by Mrs. Florence D. Barrow to L. C. Call, lot with improvements fronting thirty feet in Floyd Avenue, for \$10,000.

Building and repair permits were issued yesterday as follows: To erect a one-story brick building to be used for tobacco storage on the east side of Prentiss Street, between Pulliam and Leigh Streets, to cost \$3,500; J. P. Wingfield & Son are the contractors.

To erect a one-story detached frame dwelling on the west side of Twenty-fourth Street, between Q and R Streets, to cost \$300.

Robert Jackson, to repair and remodel a two-story frame dwelling, 1320 North Twenty-seventh Street, to cost \$300.

Nannie J. Wynn, to repair and remodel a frame dwelling, 809 1/2 North Third Street, to cost \$500.

W. C. Schmidt has sold to Barney E. Myers two new stores on the north side of Main Street, between Fourth and Fifth Streets, the price being \$21,000. It is understood that the two stores can be occupied by L. K. Shepherd & Company.

Mr. Schmidt has recently sold to H. S. Wallerstein eighty-nine feet on Main Street, between Fourth and Fifth Streets, for \$40,000. So far as can be learned, Mr. Wallerstein bought this property as an investment.

William C. Schmidt has purchased the property on the north side of Broad Street, between Lee Camp Hall and the store of Hermann Schmidt. The price paid was \$35,000, and the purchase was made as an investment.

ENGINEER AND FIREMAN ARE INJURED IN WRECK

[Special to The Times-Dispatch.]
BRISTOL, Va., July 26.—Engineer Pitts and his fireman, John Powell, of the Virginia and Southwestern Railway, were injured in a wreck at Moccasin, Va., today, when the locomotive, which they had in charge, collided with a car loaded with slag.

The engineer's back is seriously wrenched, while the fireman had one leg crushed and a hole cut in his head. Both are in the hospital here. The wrecked damaged engine badly and delayed traffic several hours.

Killed by Live Wire.
DURHAM, N. C., July 26.—Emmitt Righetti, a Durham Traction Company, was instantly killed this afternoon at 2 o'clock on Peabody Street while stringing a guy wire. By some means he came in contact with the live wires on the pole, and he fell over on top of the pole dead, 2,380 volts having passed through his body. He is survived by his wife.

At the request of the owner who has retired from business, we will offer for sale at auction on

THURSDAY, JULY 29, at 1 o'clock P. M., the above described property. A very large and successful grocery business has been conducted on this corner for a long time, and it is very seldom that you can buy property so well located for business purposes. The property must be sold, even at a sacrifice.

TERMS: Easy, announced at sale. POLLARD & BAGBY, Auctioneers.
